BY AUTHORITY. THE OLD BOYS OF THE YOUNG MEN'S CHRISTIAN ASSOCIATION LEFT YESTERDAY FOR THE SUMMER CAMP IN LOVELY MANDA VALLEY

The Young Men's Christ'an Association Seniors left for their summer camp in Manoa valley yesterday. Some of ther will spend the next ten days entirely it the valley, while the others who, on account of pressure of business, cannot spare the entire day, will visit the cam; in the afternoon and return to town after breakfast on the following day.

The illustrations show the tent and the position of the camp, and the party of Jun ors just returned from an outing and loaded with spoil. Gentlemen wishing to join the camp are requested to communicate with the sec-

retary, H. E. Coleman, The camp is very accessible to town, and a person leaving on his wheel at 4 m, can be in eamp within as hour Mr. Lot Lane, whose place is convenient to the camp, has kindly provided accommodation for horses and bleycles belonging to the campers. Fresh air, fine scenery, healthy exer-

cise and rational rest and recreation are the main objects of the camp. A young man can go out and lose himself, if it so please him, to the world and the sordid cares of every-day life for ten long, blissful days. He can live as well as 'he would at home; he can indulge in swimming and pedestr'an exercise at his own' sweet will. If to loaf he his ambition, he can gratify his wish in the summer camp to the full extent of his heart's desire. He can commune with nature in her every mood, and whatever be the plan pursued for passing the time of his vacation in camp, he will not fa'l to return to his old haunts a healthier and better man. Secretary Coleman has just received three certificates awarded to members of the institution by the International Committee of the Young Men's Christian Association, for work done in the international examinations held several months ago. The rec'pients are J. M. Moore, for lifble study, percentage 81; David Lyman, Bible study, percentage 85; and W. H. French, bockkeeping, percentage 78, 1
